OPP: Office of Patient Protection

What does OPP consider when reviewing open enrollment waiver forms?

OPP looks at the reasons you were unable to buy health insurance when enrollment was open.

*You may be **ineligible** for an open enrollment waiver if:*

- Your health insurance was terminated because you did not pay premiums*
- You intentionally missed the open enrollment period*

If you do not qualify for an open enrollment waiver, you will need to wait to buy insurance until the next open enrollment period.

*OPP will respond to you **within 30 days** of receiving your waiver form. If OPP asks you for any **additional information**, please send it back as quickly as possible.*

*If denied, you must wait until the **next open enrollment period**.*
